P&C NEWS UPDATE

We would like to say a huge “thank you” to Clare Dodds and Rebecca Phelps for running Breakfast Club for the last 6 weeks! Breakfast Club couldn’t run without all of our wonderful volunteers.

NATURE PLAYGROUND

With only two weeks to go before work starts we are desperate for more hands on volunteers to register. It is vital we know how many people are coming on which days so we can plan the work. Please contact Lisa on 0412239181 with your name and which day you can come down. If I have all your contact details I can keep you informed of any changes or delays due to weather etc.

Please see the flyer for details. Most activities will have supervision so we just need helpers to turn up on the day with gloves, wheel barrows, rakes and shovels and of course a sense of humour!

This playground is just the beginning of our grand plan for the whole school, so roll up your sleeves and get involved!

P&C CARDS

These are still available if you would like to take advantage of the discounts available to card holders and support the P&C at the same time. They can be paid for at the uniform shop for $25.00.

UNIFORM UPDATE

Please be advised that due to our suppliers increasing their charges far more than expect, there will be a small price increase on most items at the uniform shop. We will keep it to a minimum amount and please note that we try to keep to an operational profit only.

Thank you, The P&C.
