FROM THE PRINCIPAL...

The first two days of Term 4 (Monday October 14th and Tuesday October 15th) are School Development Days and students do not attend school on these days. Staff will use these days to analyse a large amount of school data and develop plans for improvement based on this data.

Term Three has again proved to be a very busy term and the continuous wet weather in the second half of the term has made it appear to be longer than usual. However we have been very fortunate to once again witness a wonderful performance by our students at the annual Crown Theatre event. Accolades came in very quickly as the Year 4 and 5 students again demonstrated that they are up with the best when performing in front of a live audience.

We also had a very well organised Faction Athletics Carnival and the students of Kinross Primary School combined with the Year 6 and 7 students from Kinross College to compete in the Interschool Athletics Carnival which we ultimately won. Congratulations to all the students who represented Kinross at this carnival and to Mrs Kaminski who trained them so well.

PURPLE FOR A CAUSE

A note went home on Tuesday outlining that this Friday 27th September will be Purple for a Cause Day. Students are encouraged to wear something purple to celebrate the inaugural appearance of the Fremantle Dockers in the AFL Grand Final. All donations given on the day will be collected and then presented to Telethon during the Telethon weekend later in the year. Please note that this is not a casual dress day – students must either wear something purple or wear normal school uniform. No other form of dress is acceptable on Friday.

THANK YOU

I would like to thank parents for their contributions in many ways to the success of Kinross Primary School. This extends to such things as helping out in classrooms, being volunteers for Breakfast Club, the Athletics Carnivals, barbecues held to raise funds for the P&C, assisting in the canteen, doing the right thing at Kiss and Drive, acknowledging and supporting our move to close the staff car park gate at certain times of the day and to demonstrating support for the school and teachers in public forums. One of my main aims when appointed to any school is to ensure there is open and accountable communication and true partnerships between the school and its community and I believe we are a long way along the path to achieving this.

However, it is important to recognise that all school staff are committed to doing the best for and by your children and appreciate being able to communicate with you in a friendly, productive way that acknowledges there may be differences of opinion but that these can be sorted out in a professional and courteous manner. Appreciating each other will only further enhance the positive relationships already in place at Kinross Primary School.

Take the time over the next two weeks to enjoy your children’s company, have some relaxing times together (hopefully with sunny weather) and then we will approach fourth term with a positive mindset ready to complete the year in a meaningful way.

MOTHERS AND DAUGHTERS AFTERNOON TEA

On Tuesday 17th September the girls from year five and their mums met in the staffroom for afternoon tea. There was also an information session focussing on some of the topics covered in the Growing and Developing Healthy Relationships program that is presented by Mrs Lorimer and Mrs Jamison during Health. This is the second year we have run this session and we were very pleased to see so many take part with around eighty mothers and daughters in attendance. Thank you to all our year five parents for their continued support with this very important program.
LEARNING AT HOME

There are a series of factsheets and booklets available for parents of children in Kindergarten to Year 2. They include information and ideas for families to continue children’s learning at home.

FORMER STUDENT PERFORMS IN CHITTY CHITTY BANG BANG

Former student, Grace Elford has been performing in the hit Chitty Chitty Bang Bang as an Ensemble Child who is hiding from the child catcher. The show started on 4 September and will finish on October 6. Well done Grace on your amazing achievement.

KINROSS PRIMARY INTERSCHOOL

Last Friday approximately 70 students participated at the interschool athletics carnival at Kinross College. All student were exceptionally well behaved and performed outstandingly in their team events and in individual events. The final scores were as follows:

Third place, Connolly—317 points
Second place, Beaumaris—428 points
First place , Kinross—500 points

Congratulations to all students and a big thank you to Mrs Fewson who helped out all day in the student bay.

Wow! It's hard to believe it's the end of term three already! I'm pleased to let you all know that the veggie garden is up and running. Last week (along with the help of a few students!), we planted some new seedlings into the tubs outside the PEAC classrooms. Soon enough, we'll be able to enjoy cherry tomatoes, strawberries, herbs, carrots, capsicum, cucumber and plenty more. Oh, and there are even some flowers too! A big thank you to Les who prepared the beds for planting and organised the reticulation - now our little garden will have plenty of water even over the holidays.

Finally, I'd like to thank you for all your efforts with the Operation Christmas Child Boxes! They're still coming in with beautiful gifts and messages to the children. Remember: the final day before collection is Friday 18th October (first week of term four). I hope everyone has a safe and happy holidays, see you all next term!
