Thank you

I have been monitoring the Kiss and Drive since last Tuesday 4th June and it is functioning well. It is fantastic that parents have accepted the guidelines and are responding well to the process.

The only concern I have is that it is being under-utilised at present. Now that everything is in place I would encourage parents to consider using the Kiss and Drive on a regular basis, especially after school. Perhaps you could encourage your children to wait for you at the Kiss and Drive, where they are supervised. You could then leave home when school finishes giving your children time to get to the Kiss and Drive. This would allow you to enter the Kiss and Drive, pick up your children and move away all in the space of few minutes.

I look forward to continuing the implementation of an effective and efficient Kiss and Drive that helps to alleviate the parking issues that have plagued the school for some time.

Reporting to parents

Teachers are busy finalising reports to parents and these will be coming home on Monday 1st July, the last Monday of this term.

Please be aware that your child’s grades may differ from those at the end of last year. A number of factors can contribute to this occurring including:

- Maturation factors – your child may be entering a new phase in their life which can affect the way in which they perform at school, both in a positive and negative manner
- Changes to what is being learnt – as children move through different phases of learning the content and skills may become more challenging resulting in changes to achievement levels
- Change of teachers – sometimes children respond better to a particular type of teacher and it can take time to adjust to other teachers causing some variations to achievement levels.

It is important to remember that the present reporting system considers that a child who receives a “C” grade is achieving and progressing at a level consistent with what is expected of them. That is, if your child receives a “C” grade throughout their schooling they should be congratulated as they are performing the same as any child should for their particular year level. If your child receives a “B” or an “A” level they are performing at a higher level than expected for children at their year level. Remember a “C” grade means your child is progressing satisfactorily.

REPORT OF PARENT SURVEY

The responses for the Parent Survey have been collated into a report that accompanies this newsletter and is also available on the school website. I encourage you to read the report as it represents the views of a large number of the parent body and will be used as a guide for moving forward as a whole-school community.

I would like to again thank all the parents who took the time to complete the survey and return it to school. Your efforts have given us an insight into parent perspectives of the school and ways in which we can work together to make the school even better for all of us.

SCHOOL COMMUNITY MEETINGS

Please not the date of the following meetings that involve the school community:

School Board Meeting       Wednesday 19th June @ 7.00 p.m.

Thought of the Day

Don’t have regrets. They’ll hang over you for the rest of your life. You never know what could happen even in the next minute so even if you don’t forget at least learn to forgive, and if the person you forgave doesn’t change, then at least you know you tried your best and there was nothing else you could do.

Thought: Don’t regret anything you have the ability to change.

CONGRATULATIONS TO YEAR FIVE STUDENT TAHNEE LANE

Congratulations to Year Five student Tahnee Lane and her dance group DanceForce for getting through to the third round of Australia's Got Talent. They WOWED the judges with their dance 'Drummer Boy' at the Perth Convention Centre last weekend. The show will be televised later this year. We wish her and Danceforce the best of luck. Well done Tahnee.

NEW TO SCHOOL, KINROSS KICK START BREAKFAST CLUB

Starting on the first Wednesday back from the school holidays (Monday 22 July 2013) Kinross Primary will host a breakfast club once a week, each Wednesday from 7.45am to 8.15am.

How many kids arrive at school without having a good KICK START to their day?

There are numerous reasons why some kids miss the most important meal of the day, life can be a rush these days and we would like to make sure that those who need a helping hand with this busy time of the day can receive it—for a least 1 day of the week.

Breakfast is important to kick in concentration and energy for the start of any day.

This club will be run by the P&C and parent volunteers. Anyone who would like to help either with time or donations of food or plates, cutlery etc please contact Taia on 0438 047 443. Further information will follow closer to the GRAND OPENING DAY.
